

Statement of Peer Review

When submitting conference proceedings to BIS Health and Environmental Science, the proceedings editors confirm to the Publisher that:

1. They will follow the journal's Policy on Publishing Integrity to ensure good scientific practice in publishing.
2. All articles have undergone peer review managed by the proceedings editors.
3. Reviews were carried out by expert referees who were asked to provide impartial and helpful feedback, with the goal of improving the work.
4. Proceedings editors have made every reasonable effort to guarantee the quality of the published materials. Their decision to accept or reject a paper was based solely on the work's merit and relevance to the journal.
